Support for coursework resubmission: one round of feedback on a redrafted coursework assignment	£130	£130

¹ These procedures are described in our Courses Terms & Conditions and our Course Handbooks.

² The MRS imposes annual increases, so the charges may differ from time to time. You will incur the charge that is prevalent at the time it is incurred, even if this is higher than when you enrolled.

³ MRS fees for overseas students are higher than for UK students, hence the higher charges.

⁴ This report shows the mark for each question, along with an explanation of the mark awarded. The MRS will only make it available when a Fail grade is awarded. There is no MRS procedure for enquiring about marks that are higher than a Fail grade.
